

Ideas for 2-3's

Communication, Language and Literacy

Children love books, find the Wonky donkey on YouTube the children will be laughing.

Hee Haw!
He was a
Lanky
Honky
Tonky
Winky
Wonky
Donkey

Maths

Cut out some different leaf shapes from cardboard and

Wrap wool around the shapes. Children will be learning different maths language.

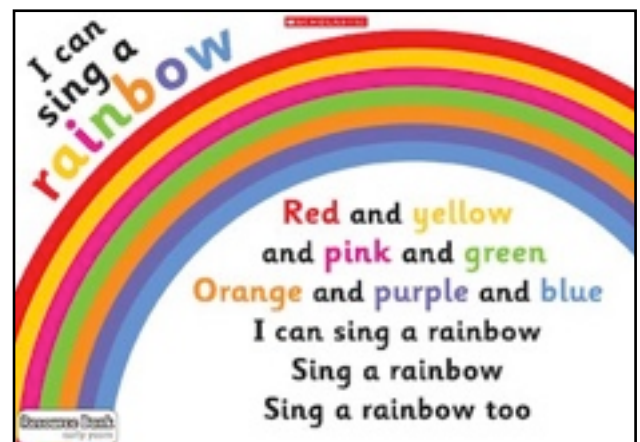

Talk to them about how they are wrapping the wool around, under, over, top, bottom etc.

Physical

Find some leaves in the garden or cut out some leaf shapes. Use Autumn colours and create a collage full of different coloured leaves.

Emotional and Mental Wellbeing

Children love singing, you could make some shakers from empty bottles using rice or pasta.

Challenge the children and try to find the colour as you are singing.
