

Ideas for 2-3's

Communication, Language and Literacy

Watch the season change

Go out to the local park or woods and talk about the changes you see.

Different colours all around you, leaves falling off the trees and changing colours.

What animals can you see? Can you hear any animals in the trees? Who do you think lives in the woods?

Maths

Autumn Playdough

The recipe for playdough can be found on google.

Add some autumn food colourings to your playdough and get creative.

Use lots of mathematical language describing.

Long, thin, round. Heavy and light.

How many have you made?

Physical

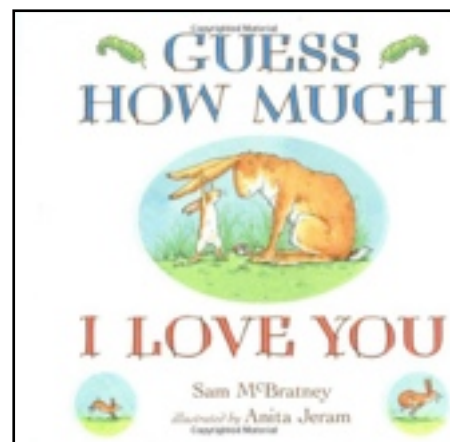

Pine Cones

Collecting pine cones from your local park or woods, having a walk together, let's get physical.

When you get back from your walk you can make a collage with the pine cones.

Emotional and Mental Wellbeing

Books

You can find this book on YouTube let the children point at the pictures and repeat words

Guess how much I love you
