

# Ideas for the under 2's

## Communication, Language and Literacy

Look for a few items to explore linking to autumn such as sticks, cones, leaves.

Make orange, brown or yellow play dough for the children to explore using their senses.

## Maths

Find a few items for the children to explore such as metal and wood. Place them in a basket or box, let them explore with their senses.

(Always be aware of safety with the objects and never leave child unattended)

## Physical

Whilst you are on your walk collect a few leaves to take back home. Give them a wash, let them dry and explore them together. Can you make a line to follow, place them around the house to find.

## Emotional and Mental Wellbeing

Having a walk in the fresh air and walking through the fallen leaves is such fun to do together. Listening to the sound the leaves make, crunching under your feet.
