

# Ideas for the under 2's

## Communication, Language and Literacy

Looking at books together about birds that are out and about in the garden. These books are sensory too which are lovely to explore.

## Maths

Can you collect a few natural items such as cones, leaves, twigs. Talking about how many you have, the shape and size of them. Introducing new words. Making patterns with them.

## Physical

Adding natural items to a small tray such as leaves, large stones, pebbles. Explore with their hands, the leaves will crunch if you make a ball with your hand, lifting a stone. Using lots of muscles in their hands.

*(always be careful with small objects)*

## Emotional and Mental Wellbeing

Singing is so much fun!!

Be the scarecrow and follow the actions. How does a scarecrow stand, up tall or floppy, do they jump on their legs, can you follow the movements together.
