

Ideas for 4-5's

Communication, Language and Literacy

Animal Alphabet

Looking at the alphabet is fun to do together. Looking at the names of animals that match the letter. Try hard to think if there is an animal for each letter? This could be tricky to do.

Maths

Can you make a rocket?

Find a variety of different shaped boxes, packets, bottles. Cover with paper and decorate, add the wings to make it fly. Your very own rocket, will it fly high in the sky?

Physical

Acorn Owls

If you go for a walk in the woods you may find some acorns laying on the floor. Wash them when you get home. Add pieces of felt or coloured paper to make your very own owl with googly eyes.

Emotional and Mental Wellbeing

Making Cookies

Baking together is a fun activity to do. Can you find a heart shape to cut out the biscuits. Use icing sugar to decorate with sprinkles. After you have baked them enjoy together, share them out to all the family.
