

Ideas for 2-3's

Communication, Language and Literacy

At the ages of 2-3 years a child's vocabulary keeps growing everyday and includes many different types of words and sounds. Make sure that your child hears lots of language daily.

Conversation is important and enables your child to be a skillful communicator. [#keeptalking](#)

Maths

Why not try making your own autumn colour matching activity.

Let the children match the colours.

How many do they know? Are they the same?

Physical

Balloons are a great way to get your children active.

Kicking, hitting, bouncing, throwing.

They will be using lots of different muscles in their bodies.

Emotional and Mental Wellbeing
